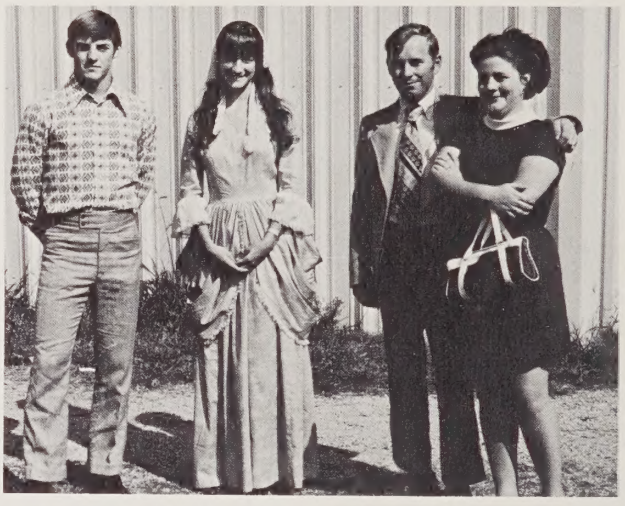
OUR COUNTY HAS A BIRTHDAY

In October Davidson County celebrated its one hundreth-fiftieth birthday. The momentum of the entire county gained until there were hundreds of people working to make this Sesquicentennial celebration one of the greatest events in our history.

Not to be left out, Central also took an active part in telling the story of our county. Students and teachers dressed in old-fashioned clothes throughout the weeks of celebration. Rooms and halls were decorated. One day, the school held an open house for parents and friends. Refreshments were served and guides took visitors on tours through the building.

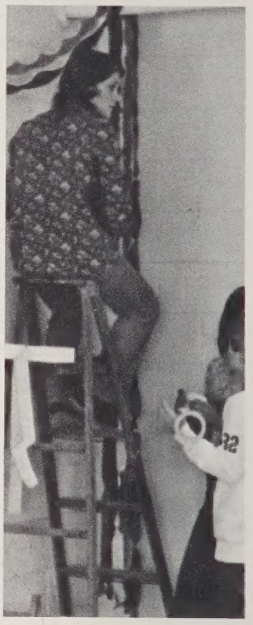
The Celebration was an unforgettable time for all who joined in, and we at Central can only wish Davidson County one hundred fifty more years of prosperity.

Laura Mills, Herbert Hedrick, Lucy Gaskin, and Beverly Hoover serve refreshments to visitors during the Sesquicentennial celebration.



Herbert Hedrick and Laura Mills, guides, pose with visitors who toured our school during open house.

Sesquicentennial Belles: Betsy Webster, Beth Burkhart, Annette Sink, Karen Wilson, Tippy Kepley, Henrietta Ijames, Tammy Hedrick, Laura Mills, Shelia Everhart.



Debbie Wilson and friends help to decorate the classrooms for open house.

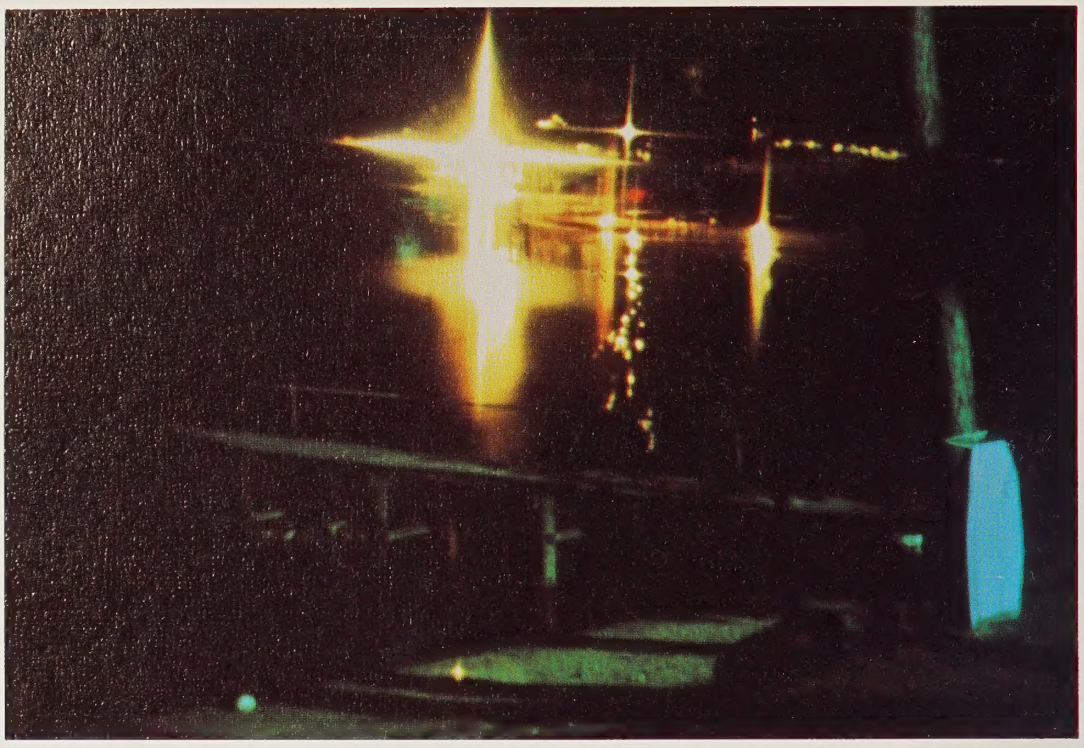
NEW IDEAS COME TO OLD SCHOOL

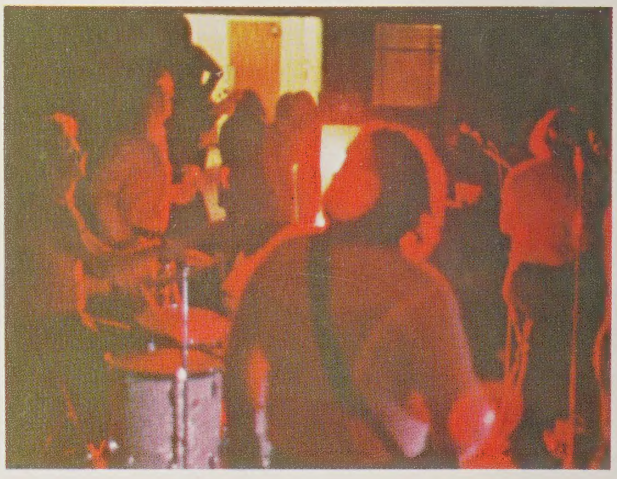
1972-73 held many new, exciting experiences for students at Central. Not least among these was the arrival of a new principal, Mr. Gilbert Buck. Mr. Buck brought with him new ideas to liven up an old school. Sloppy Day, Freshman Initiation, as well as a stern crackdown in discipline and a stiff tightening of the school's purse strings to get the school out of debt were just a few of these ideas.

Two trips to the Greensboro Coliseum to play preliminary games for the Cougars was a big first for our boy's basketball team. Even the cheerleaders came out in checks and hot pants for a very new and good looking different look.

We are building a new school, but "the new school spirit" has come as another first to us at Central in '72-73.

Morning and noon are good, but night is best — The moon rises and the magical glow of night spreads its enchantment over those special times — Creating a memory of people, actions, and those quiet moments that will return to us each time the new moon rises again





ELECTRIFYING SCENES DESCRIBE CHS

Dawn: A new beginning.

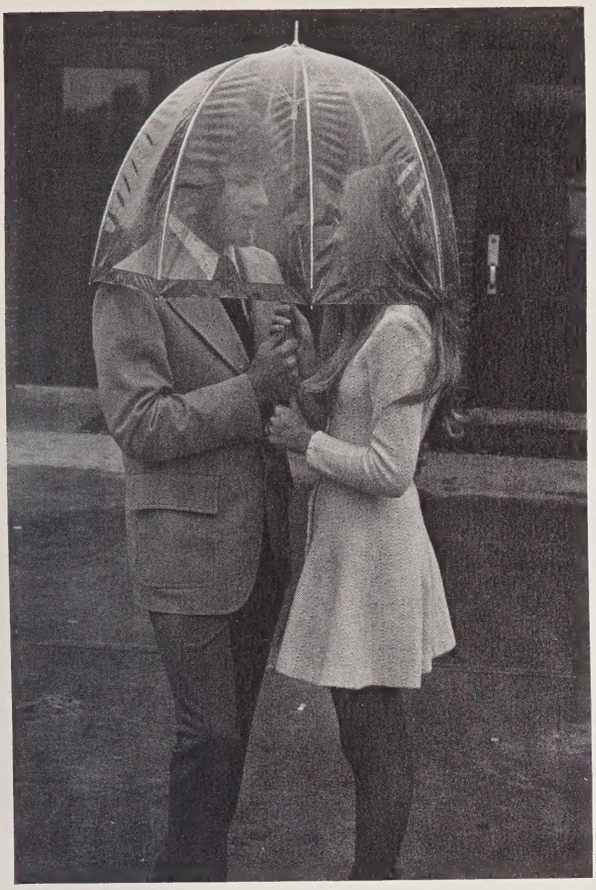
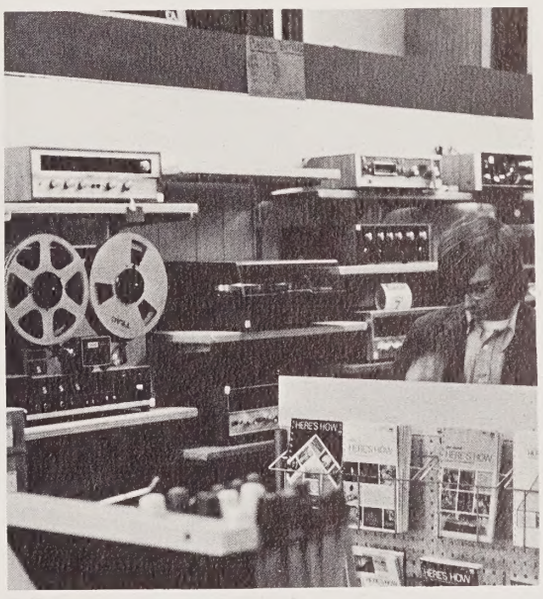
NOW!





Today we can not make profound generalizations about people. You are far more unique and individualistic than you are uniform and categorical. Now people do not dress alike, talk alike, or play alike. The study of our Earth goes on, but you concentrate on the effect you and your society are having on the environment. Your interests are widening and your concerns are real. You may dress in jeans and a faded denim jacket with hair down to your waist but you can just as easily communicate with someone who doesn't. You recognize each other as individuals and you listen to what each other has to say. You people and your concerns are today's story. And Central is interested in its telling . . . '72-73 was a "different" year . . . and it affected us all.

SPARTAN SPIRIT COMES ALIVE . . .

Students on the go! Students have "wheels"! A sleek modern bus painted in dashing red and white now takes Central people where the action is. Students are doubly proud since the bus was purchased mainly through their efforts to raise the money. The bus arrived on the all important day of the big game with West Davidson. As the new bus was driven on the field and a great pep rally got under way, it became apparent that student and team enthusiasm would assure us of a win over our undefeated rival. This proved to be the case and Central came away with the big win, 21-6.

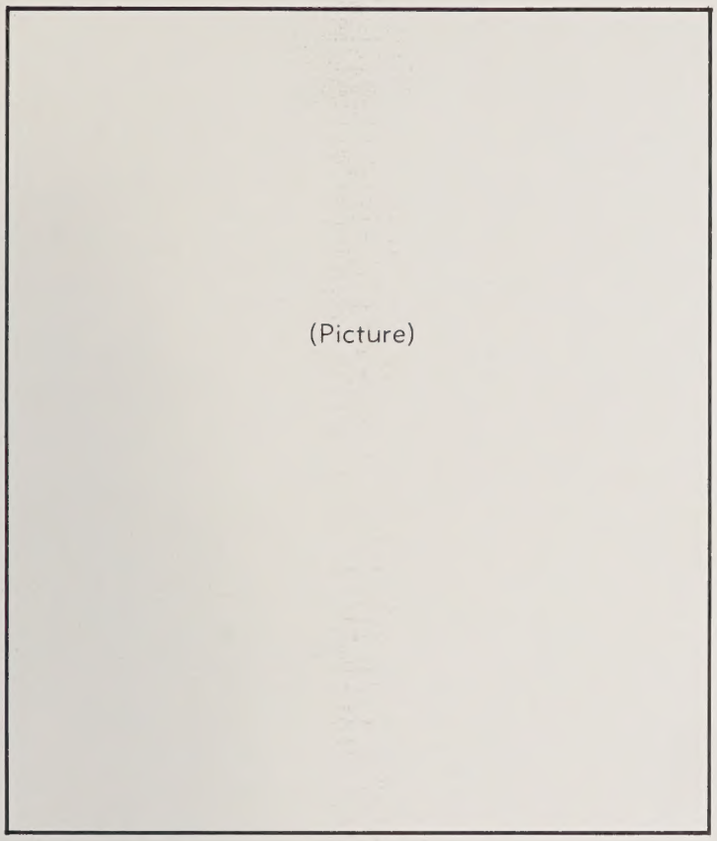
'73 . . . AND A DIFFERENT DEDICATION



A Friend Is:

1. Anybody who listens instead of argues.
2. One who is always thinking of you, when all others are thinking of themselves.
3. A person who knocks before he enters, not after he has taken his departure.
4. One who comes in when the whole world has gone out.
5. A present you give yourself.
6. A speaking acquaintance who also listens.
7. Somebody you don't have to talk to.
8. Someone you can count on to count on you.
9. Someone who runs interference for you in your pursuit of happiness.

William B. Franklin

I dedicate this annual to someone who has been above all and through it all . . . my friend.

AUTOGRAPH:

There's no way to please everyone is there? '73 was a different year and well . . . just how was it? Just who did influence you, or help you when you least expected it? Dedications never touch everyone that they should. How can you say one person gave more in ability and service to every senior as well as to the school as a whole? This year, '73, we're not saying it. It was your year; this is your annual and we want you to make your own dedication to the person or persons who meant the most to you.

NAME: FACULTY-ADMINISTRATION

My favorite teacher was . . .
because (he, she) . . .

The new teacher that I liked the most was_____

Teachers this year generally:
— gave more help
— seemed more interested
— showed more films
— were out of classs more
— gave more tests
— treated us like we acted

These were your teachers. You helped or hindered them. They tried to help you. It was a two way street you soon learned. Nevertheless this was your year '73 and these were the opinions you had on your teachers.
Name_____

— gave the most tests
— gave the most homework
— sold the most candy in class
— took the most time on nothing

The teacher that I learned the most under was . . .

The most boring teacher I had was . . . because (he, she) . . .

The discipline in our classes:
— went down the drain
— could only be seen under a microscope
— was better than last year
— was a wish on a star only

Our new principal:
—was everyone's pal
—was with us all the way
— was just new drag

THE TENACIOUS THREE

Mr. Gilbert S. Buck — Principal

Mr. Buck came to Central High this year making many changes. He gave the student government more responsibilities in activities, helped organize many social, as well as academic functions, and helped to put Central back on its feet financially. Although some consider his rules strict, Mr. Buck, with cooperation from the teachers, has made progress in discipline here at Central.

He headed a fund-raising campaign for the purchase of a new activity bus and presented it to us in a regal manner.

These few words do not begin to show our appreciation, but we would like to say, "Thank You, Mr. Buck."

Mr. Clayton Swicegood, our Assistant Principal, as in years past, has again proven himself an invaluable asset to our school. Because Central is too large for one man to look after, Mr. Swicegood is depended on for many things. He has more than fulfilled his roles as teacher, warden, peacemaker, and humanitarian. His concern and consideration is appreciated more than he will ever know.

Mrs. Marie Michael, our Secretary, has been a very dedicated behind the scenes worker for many years. She doesn't receive a lot of recognition but is always there to help. We appreciate her friendly smile even if she does question an excuse now and then. She deserves a lot of credit for the many unseen things she does to keep Central rolling.

NAME: CLASSES

The Senior Class this year was:
— the greatest ever
— not too good
—the best of all the classes
— the ruler of Central High

I was glad when this year ended
— true
— false

These were your classes and you were a part of it. You made them what they were, good or bad. The competition between the classes was rugged and at times, even vicious. As the year progressed, the classes began to unite as they all strived toward a common goal, to make CHS the best school around! I was proud to be a Spartan in '73
Name_____

The Sophomores had
— too much pride
— good creative students
— the best of all the rest

The Freshmen
— got saved from being dunked so much
— were slaves to upperclassmen "Slave Day"
— had the most school spirit
— should have stayed at the Jr. High

We loved you
— Spartans

The greatest class was
— the class of '73
— the class of '74
— the class of '75
— the class of '76

The Juniors
— won about all of the queens
—were the lowest in spirit
— were a fantastic group of students

This year's students
— were full of pep
— showed respect
— quit smoking inside
— drove teachers crazy

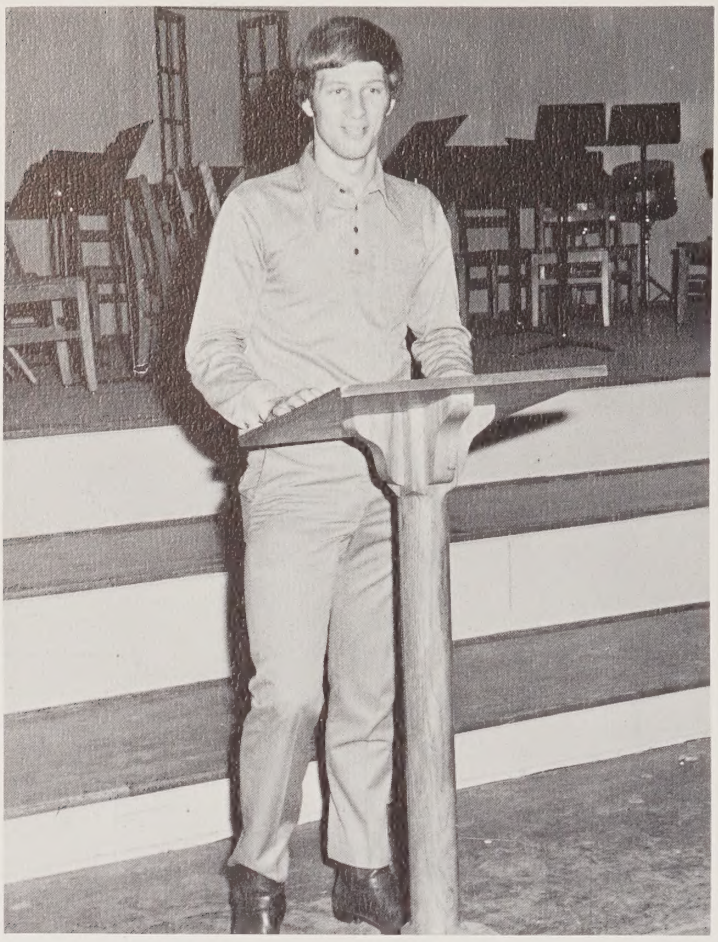
STUDENT GOVERNMENT LEADS THE WAY!



Chris Smith was elected by the student body to lead them for the 1972-73 school year.

Central's student government which had largely been a sleepy giant in the past began to rear its head during this school year. The Council became more active and involved in student affairs; consequently, students became more involved in school policies and decisions concerning them. All elections were handled through this body. They acted as mediator on problems between students and administration, on issues such as exams and exemptions. The new members of the Quill and Scroll celebrate the honor of being a member of this organization.

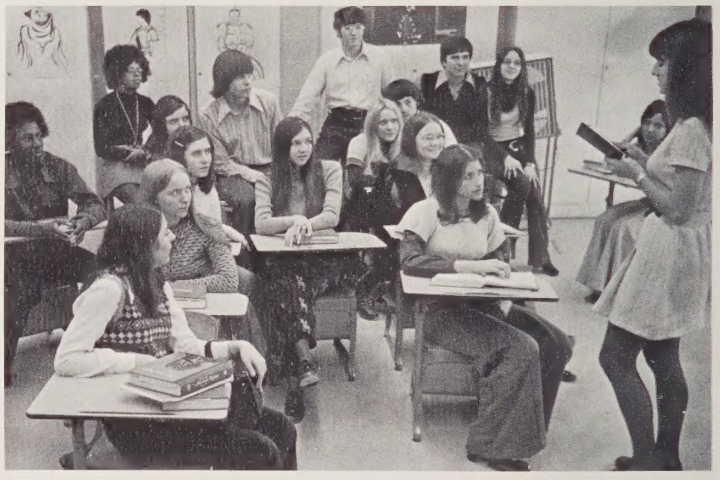
The L.A. Martin Chapter of the Quill and Scroll is open to qualifying members who have shown excellence in journalistic efforts. This year the Chapter has twenty-nine members. The induction was held at an impressive buffet dinner for members and their parents. New members lighted candles and gave their individual opinions on what good journalism involves. This group is mainly involved in producing the three school publications and in continually improving them according to journalistic standards. The three publications are the Spartacus; newspaper, The Spartan; annual, the Sparascript; magazine.



L. Mills, secretary-treasurer of the Quill and Scroll, discusses the business.

B. Webster, vice-president of Quill and Scroll, talks about the meeting with Mrs. Power.

For the students at Central the class again divided into two casts and presented two plays for Christmas entitled "The Crawford's Merry Christmas" and "Muggsy's Merry Christmas". Some of the class participated in the Wake Forest Speech Festival while others made puppets to present shows at the elementary schools. The climax of the year was the big three act production given in the spring for the public.

Pep Club

The Pep Club has given a new zest to Spartan school spirit this year with the help of two new and enthusiastic sponsors; Mrs. Ballestrieri and Mrs. Foust. WE'RE THE BEST OF ALL THE REST,

Varsity Cheerleaders are: Amy Hargrave; Karen Wilson; Betsy Webster; Amy Conrad; Lynn Smith, chief; Myra Bruff; Freddie Lohr; Linda Smith; Amelia Wilson.

The Varsity Cheerleaders have been very active and dedicated this year. During the summer six of the girls, Lynn Smith, Betsy Webster, Karen Wilson, Amy Hargrave, Freddie Lohr, and Amelia Wilson attended the American Cheerleaders Association Camp at Newberry College in Newberry, South Carolina. They spent many long hours learning new cheers, chants, and songs for our great school spirit this year. At the end of the week, the girls were proud as they received their ACA rating. The Cheerleaders were very busy Homecoming week decorating the halls with streamers and posters. They sold pompoms, ribbons, and suckers for "Lick'em Day". They also sponsored the spirit chain which the Sophomore class won.

Very much spirit was aroused when the cheerleaders threw out miniature footballs and basketballs at the games. The balls were sponsored by South Lexington Super Market.

Chief Cheerleader Lynn Smith shows enthusiasm.

Cheerleaders remain faithful in rough weather.

WHOPEEE, WHOPE, WHOPE, WHOPEEE!!

Amy gets one last yell in.

Go! Spartans! Go!

Spartans! Keep alive!

Myra and Amy practice new formation.

All for Central stand up and holler.

The agony of wanting just one more point.

J.V. AND FRESHMEN CHEERLEADERS

Junior Varsity Cheerleaders: Annette Sink; Kathy Hedrick; Kim Conrad, chief; Betty Davis; Shelron Wilson; Betty Allen.

Freshmen Cheerleaders: Isabelle Cook; Pam Moretz; Lisa Jarrell; Angie Hall; Abby Bailey, chief; Jan Rogers.

HOT PANTS . . . WOW!!

Majorettes: Laura Mills; Renea Hunt; Millie Evans; Lisa Sink, chief; Becky Canady.

Central's five high stepping majorettes created an added part to football season. They helped sell football programs, performed at half-time with the band, and marched with the band in parades. Also this year they danced and did chants with cheerleaders at pep rallies, and formed a jazz dance group during basketball season. Mrs. Foust was the sponsor of the majorettes this year. During the summer the majorettes attended a study course at DCCC. They learned many new twirls and routines.

Majorettes pose in new uniforms.

The 1972-73 Central High Band this year is marching high with enthusiasm. With the help of their director Mr. Bouldin, they have been able to raise money and buy new uniforms. They have put on many concerts this year, one at Christmas and one at P.T.A.

They have improved considerably in the last couple of years. Plenty of hard work and long hours have pushed them on to a better year.

Curry.

The '72 varsity football team entered the season rated as a top contender for the title. After a bruising 1-0 win over the Yellow Jackets, we entered the DRC like dynamite. We downed S.W. Randolph and creamed E. Davidson. After a 6-6 tie with Randleman, we bounced back to defeat E. Randolph and a S. Guilford team that was rated high in the state. The homecoming game broke our back as we were defeated by a good Ledford team. With nothing but our pride to upstand, we battled to an even game with North and then to a sweet 21-6 victory over West. That was a night no CHS student will forget. The last game was a 6 to nothing mudslinger with Trinty's big men overpowering our quickness. The final result of the '72 season was a 6-2-2 record. Not the best, but one CHS shouldn't be ashamed of.

Head Coach: H.H. Hipps

Freshmen Football Team: P. Green, E. Carrick, G. Koontz, T. McClung, H.L. Taylor, S. Corbett, R. Bruff, M. Gordon, R. Haynes, E. Cooper, D. Varner, R. Hipps, S. Haynes, K. Johnson, E. King, C.J. Jackson, C. Wagoner, E. Lamb, J. Vaughters, W. Johnson, M. Hedrick, G. Crotts.

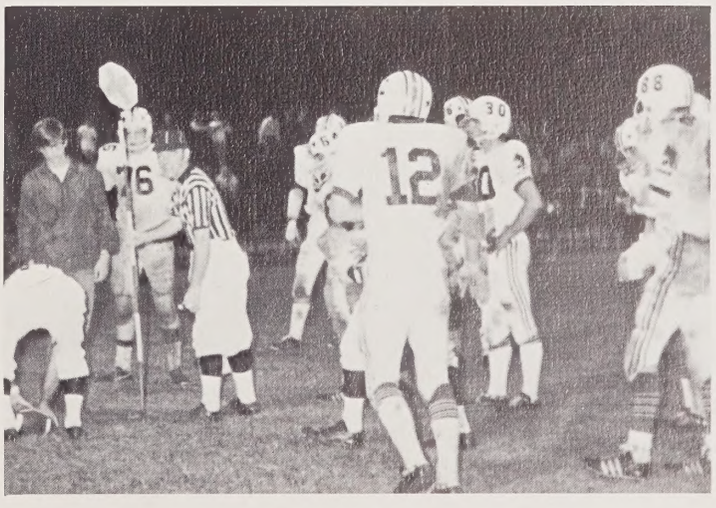
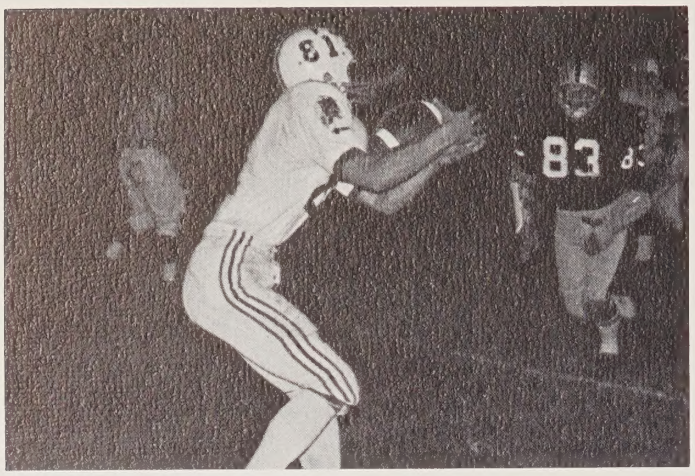
Cecil heads for the goal line.



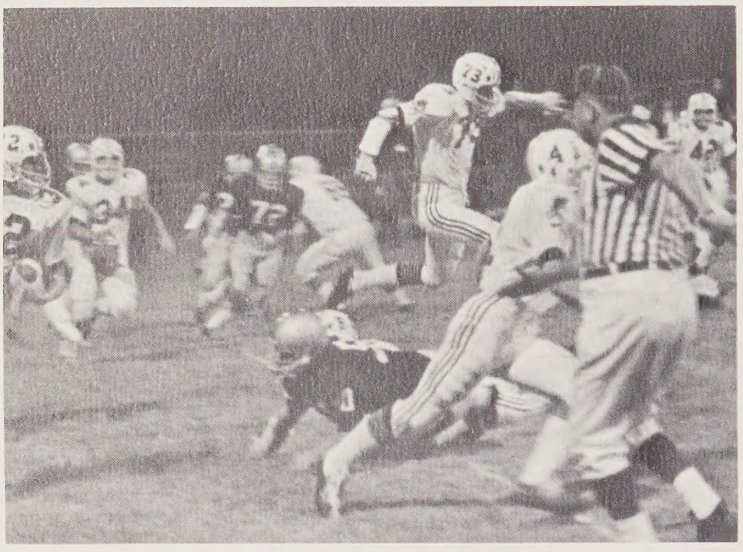
Our defense doesn't allow first downs.

WE DON'T MESS AROUND

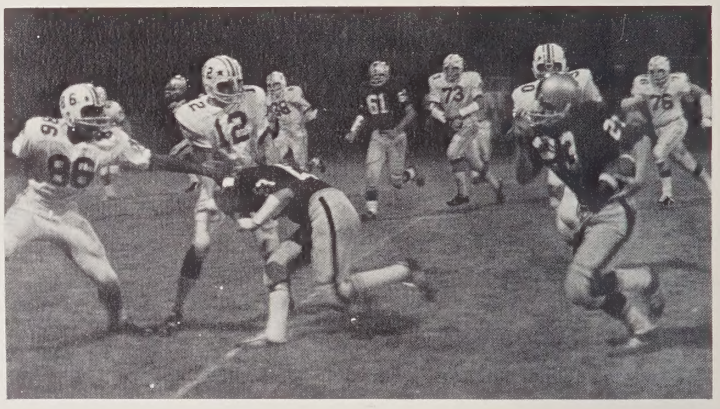


Kepley catches a pass for a first down.

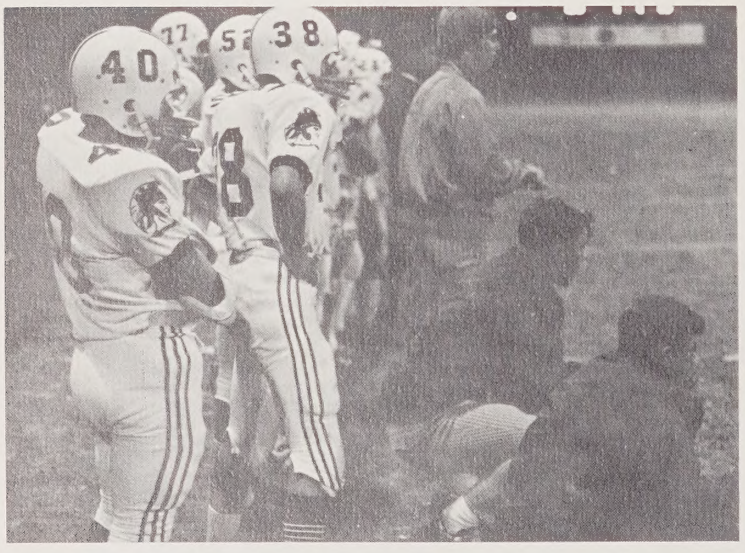
Superb blocking makes a sweep easy to run.



Cecil gains yardage with Huff leading the way.



Keith Curry fights off a block and prepares to make a tackle.



Players and coaches show concern.

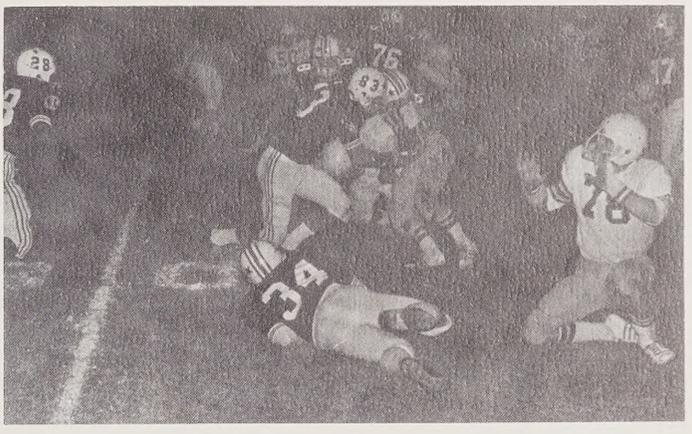
The sweet joy of a touchdown.

$32 AND A CASE FOR WHO???

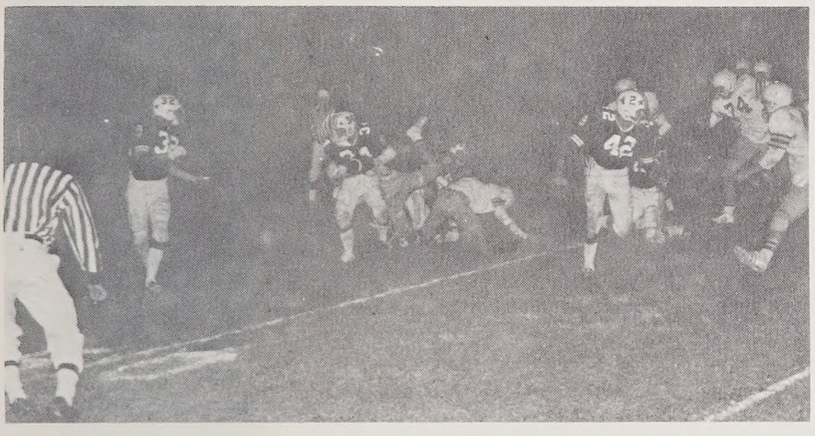
Cecil following his blocker, "Al Pro", gains valuable yardage.

On October 20 the Central Spartans traveled to West Davidson to take on the undefeated Green Dragons. The game was a hard-hitting affair with West coming out with all the bruises. Central's offensive line opened the holes and the backs just slipped through. Our defense was great and came through in the clutch. The opposing QB, whoever he was, spent the entire night kissing good old mother earth. The result was a 21 to 6 victory for the Spartans. It was a great team effort as well as an effort from all the students at C.H.S.

GO! FIGHT! WIN!



Marty Varner stops a West back for no gain.



A pitchout from Tysinger and Cecil is on his way.

A NIGHT TO REMEMBER

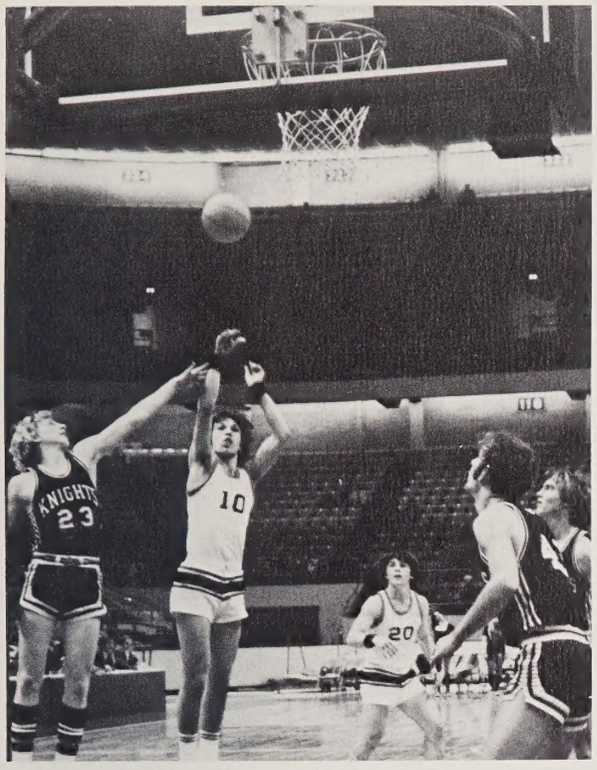
Student Assistant Coaches: Alfred Henderson and Herbert Hedrick.

Scorekeepers: Laura Mills and Rena Yarborough.

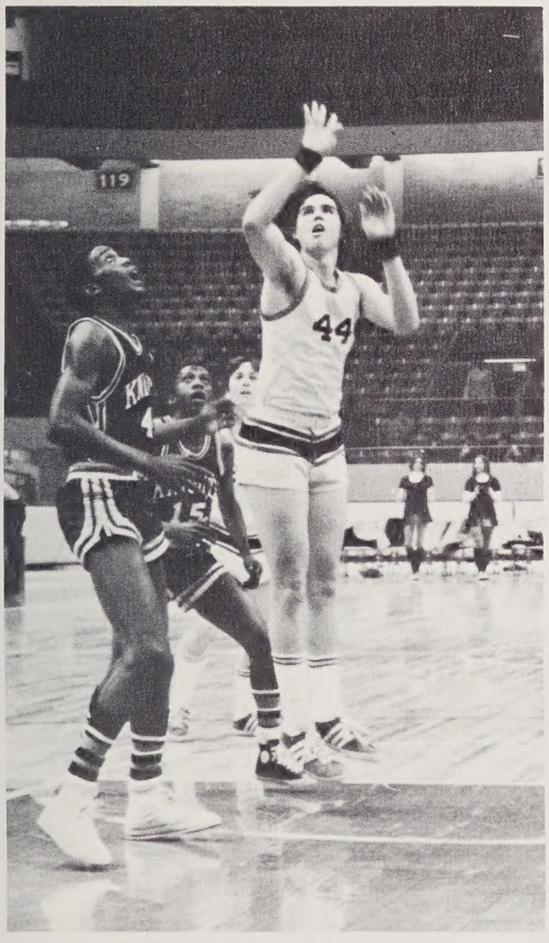
Central's fine basketball team continues the winning basketball tradition. With the average height only lingering around six feet, the Spartans have to depend on their speed and quickness. When the Spartans force the action, the other team might as well hang it up. The team, being so close, has balanced scoring with many players leading the way. Great passing and excellent shooting should send the Spartans on their way to a DRC Championship.

ALL RIGHT . . . WHO'S GOT THE SPORTADE

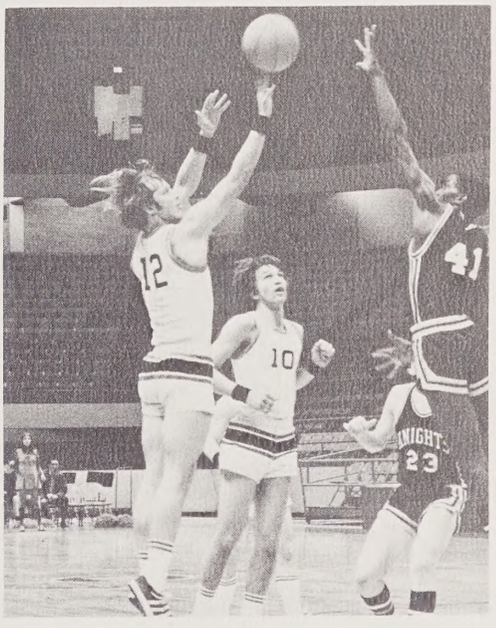


Randy shoots for two points.

Set up! Let's run an offense for once.



Von Briggs talks his shots in.



Chris Smith shoots over his opponent for a basket.

Take your time, I need the rest.

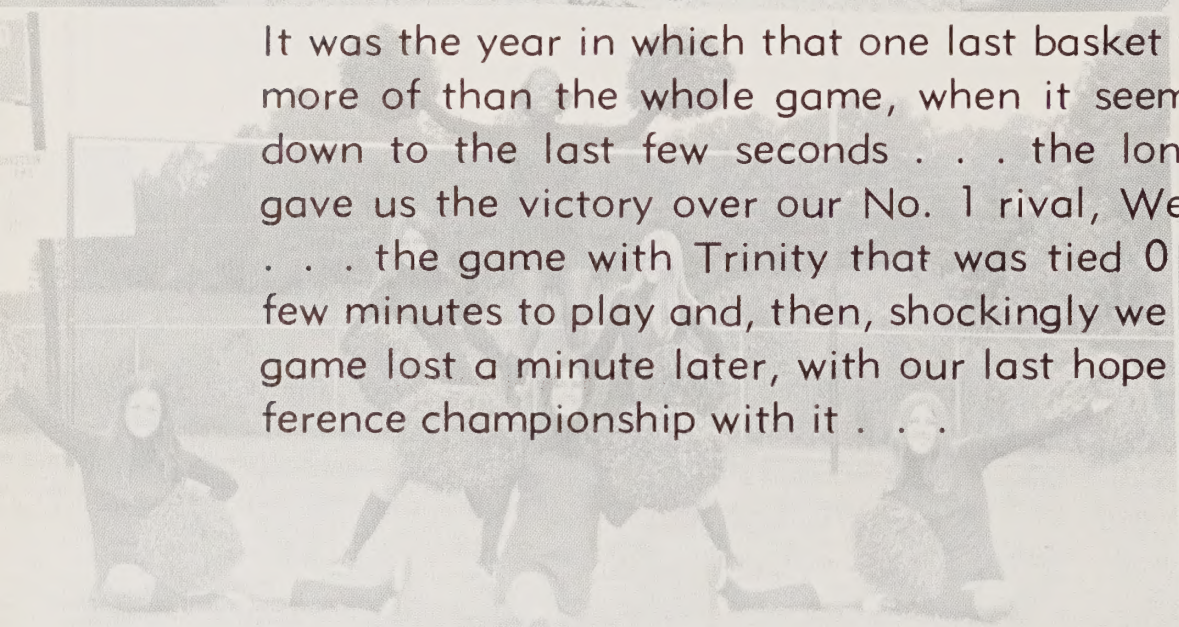
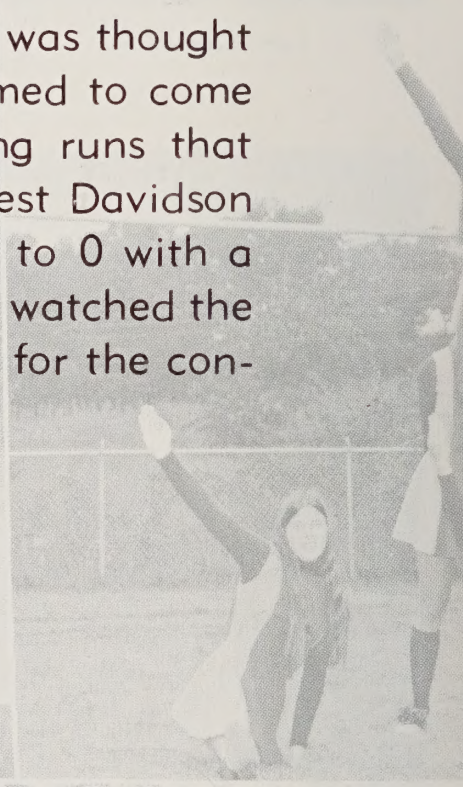
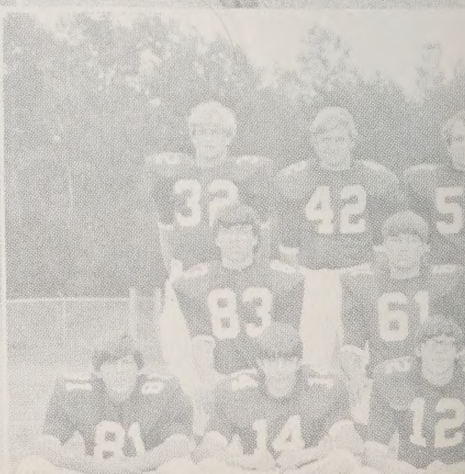
Never have Central Spartans enjoyed more success than during this year. At the same time our athletic program has experienced losses with the agony of tougher competition.

It was the year in which that one last basket was thought more of than the whole game, when it seemed to come down to the last few seconds . . . the long runs that gave us the victory over our No. 1 rival, West Davidson . . . the game with Trinity that was tied 0 to 0 with a few minutes to play and, then, shockingly we watched the game lost a minute later, with our last hope for the conference championship with it . . .







. . . the heartbreaking Homecoming loss to Ledford, a team we should have beaten. Our tears soon mixed with the rain that fell thick and heavy throughout all the game . . . the yell of triumph over one more pin in a season of victories . . . . . we look for a super year in golf . . . we hope for a better year in track . . . the winningest baseball team ever.

It all adds up to the best year ever in sports for C.H.S.

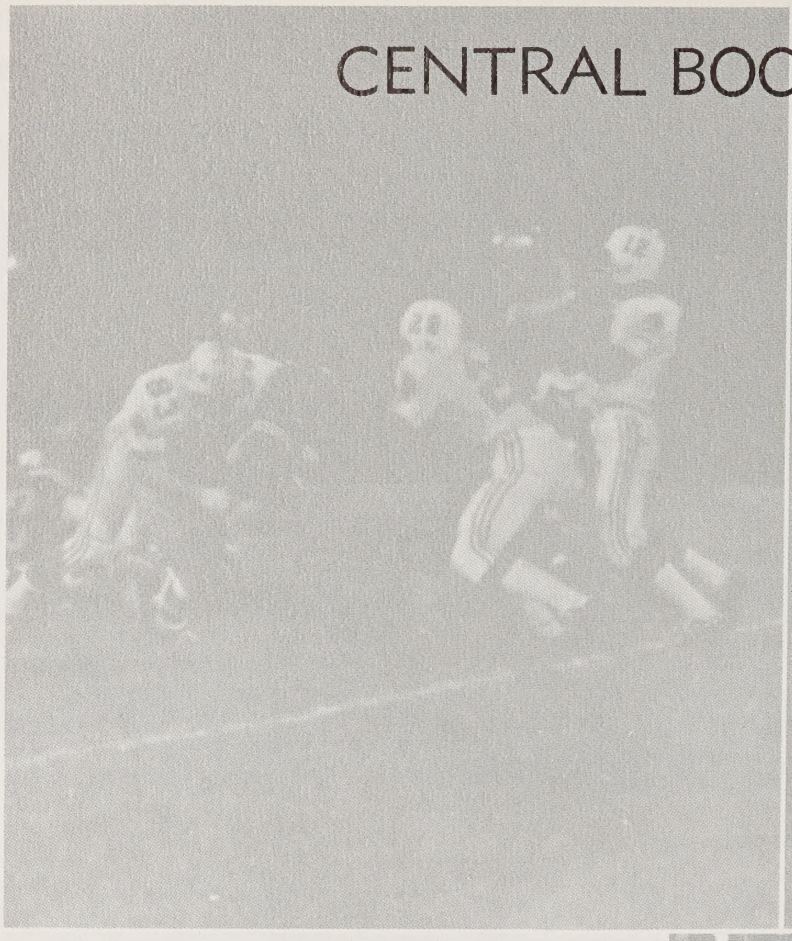
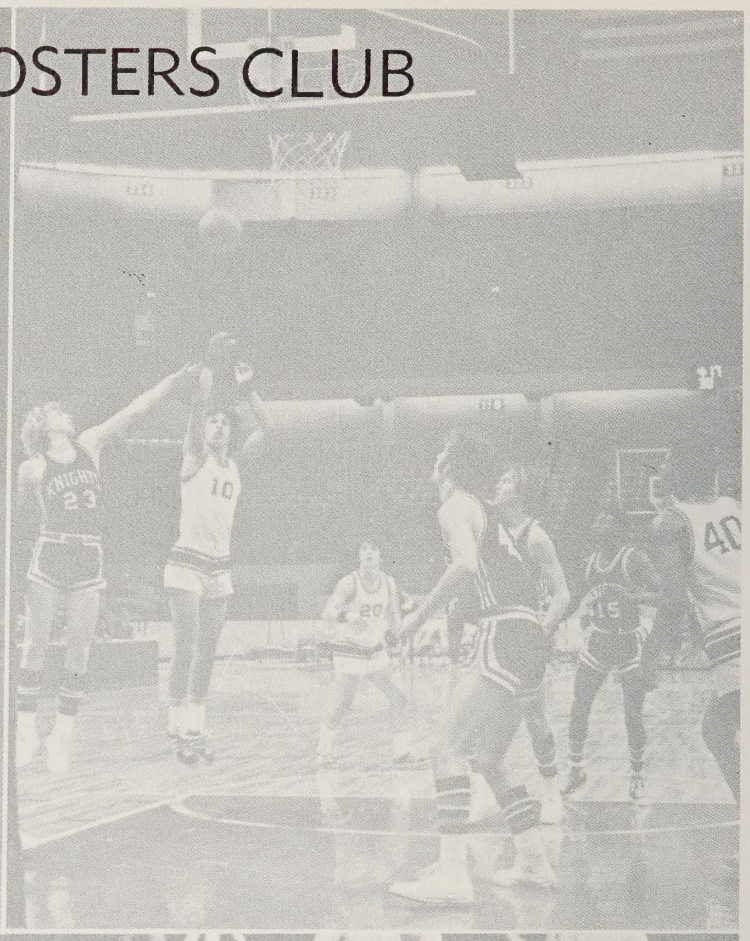
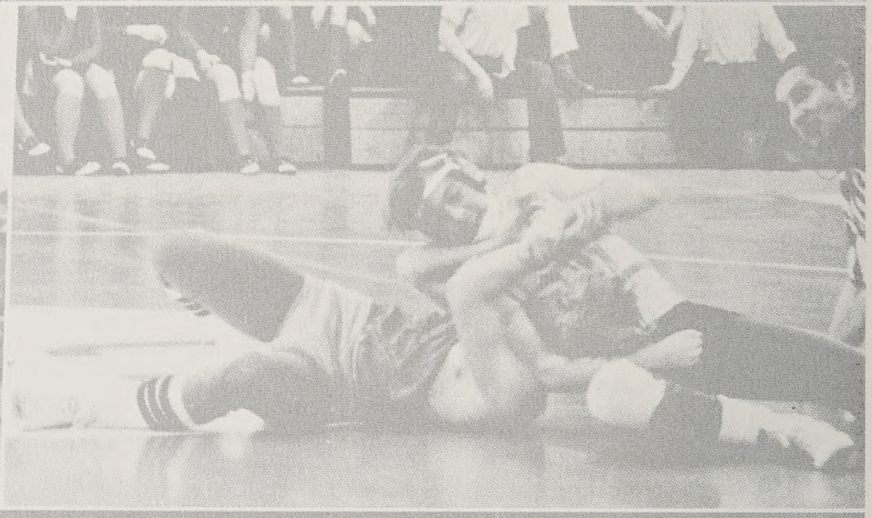
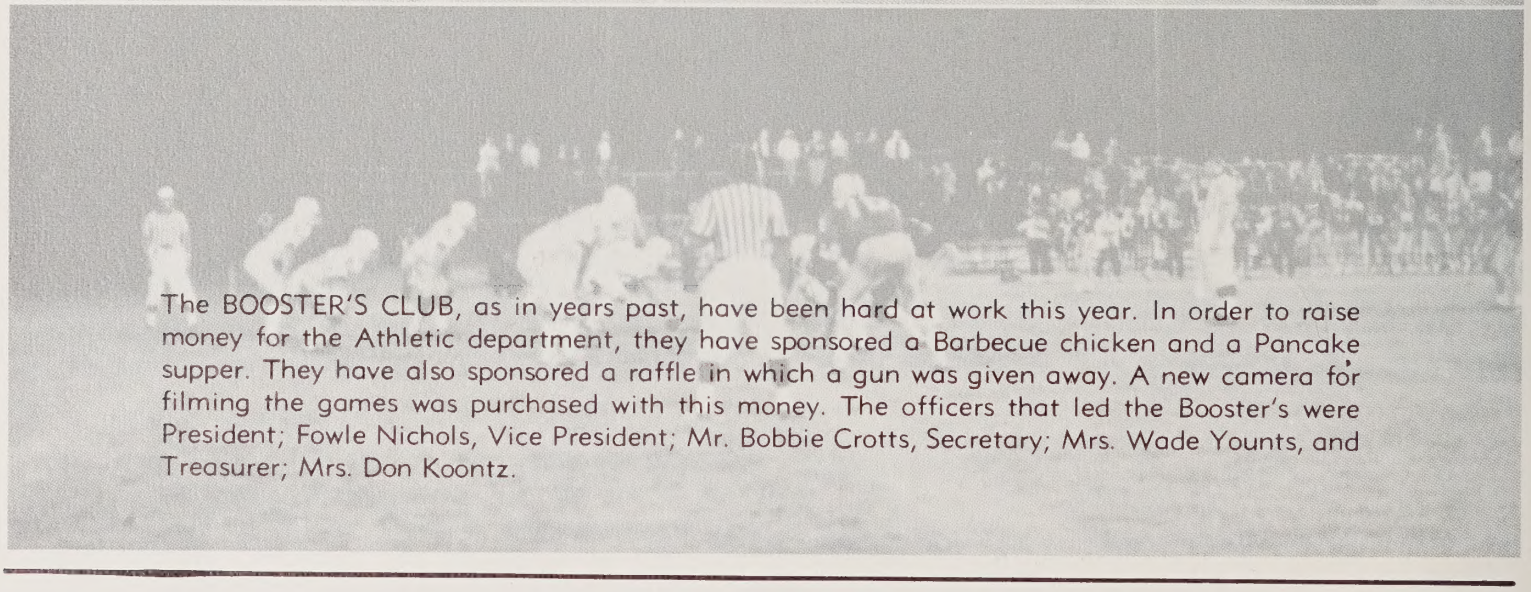
CENTRAL BOOSTERS CLUB









The BOOSTER'S CLUB, as in years past, have been hard at work this year. In order to raise money for the Athletic department, they have sponsored a Barbecue chicken and a Pancake supper. They have also sponsored a raffle in which a gun was given away. A new camera for filming the games was purchased with this money. The officers that led the Booster's were President; Fowle Nichols, Vice President; Mr. Bobbie Crotts, Secretary; Mrs. Wade Younts, and Treasurer; Mrs. Don Koontz.

CENTRAL HIGH SCHOOL P.T.A.

This organization has supported and helped our school in many ways. They have provided the school with a new lawn mower. They have also installed new water coolers to help quench the thirst of Central's many students. These water coolers are better because the water usually stays cold. They have also purchased some new video equipment which will help our students learn quicker and better. All this has been obtained due to the hard work of its members and the capable leadership of its officers. The officers are: President; Mrs. Bessie Bridges, Vice President; Mrs. Hoyle Regan, Secretary; Mrs. Jack Grubb, and Treasurer; Mr. Lloyd Surratt.

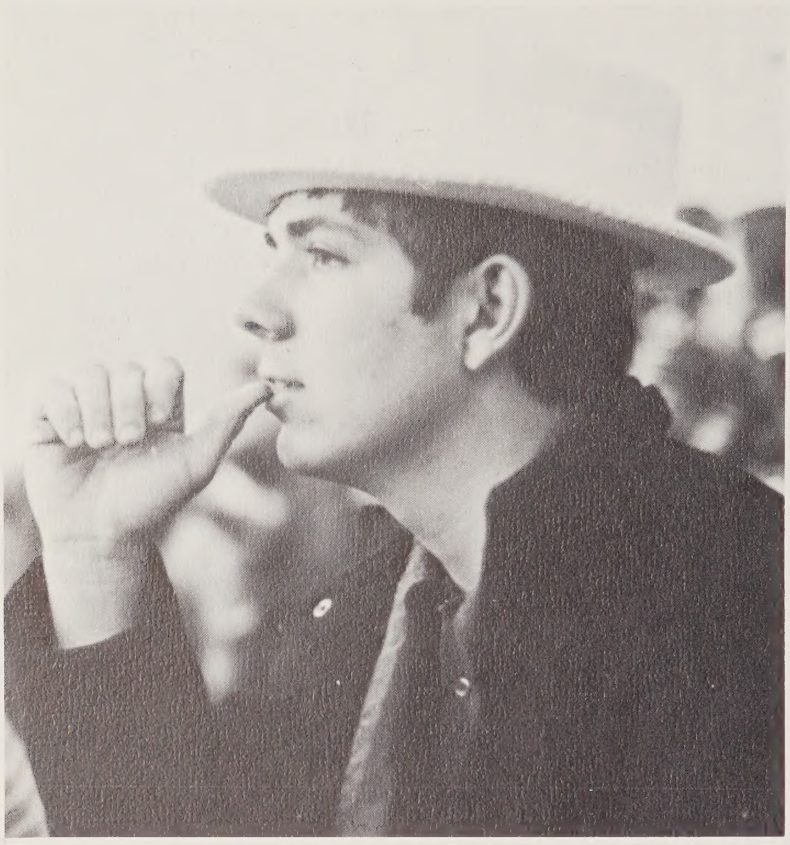
1972-'73 WAS . . .

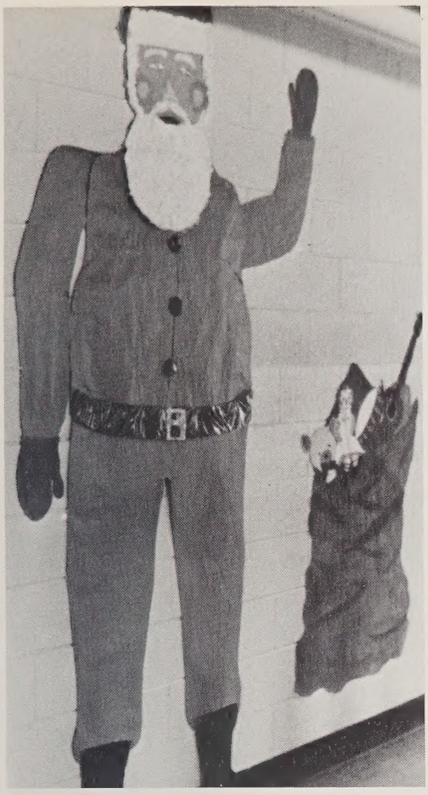


things that made you think.

things that made you want to learn.

things that made you want to express yourself.

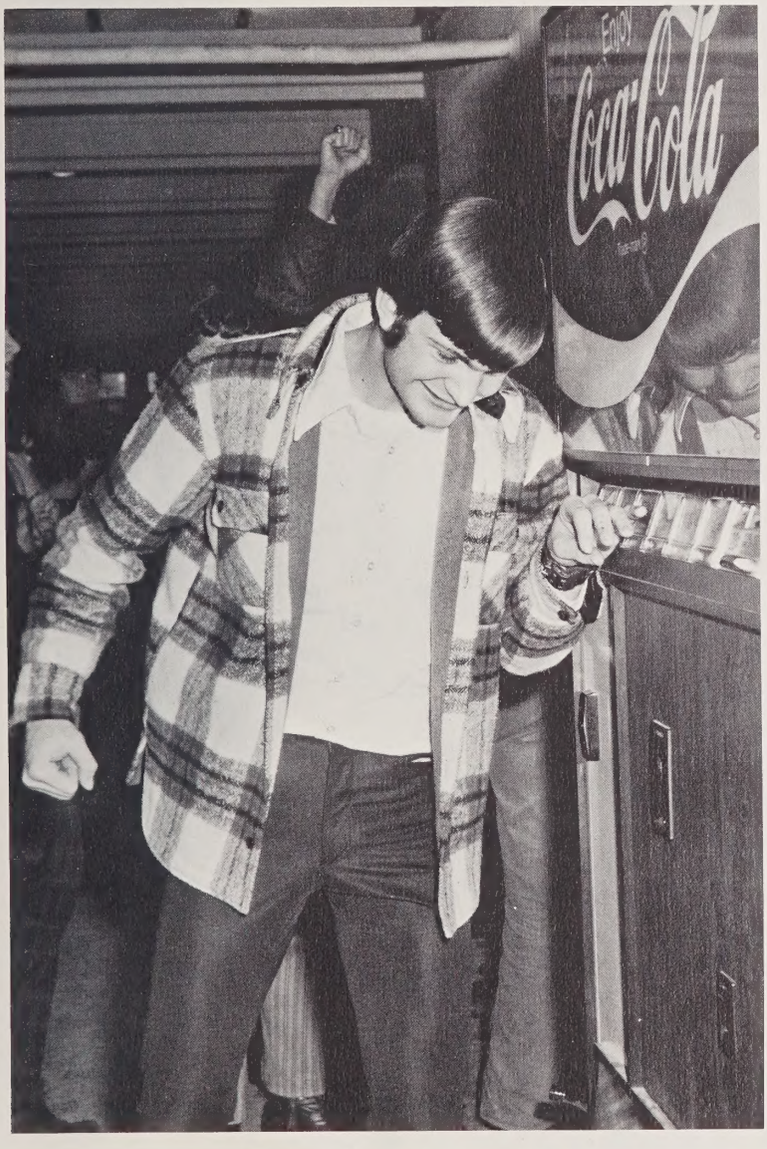
things that made you want to cry.



things that made you happy.

things that made you wonder.

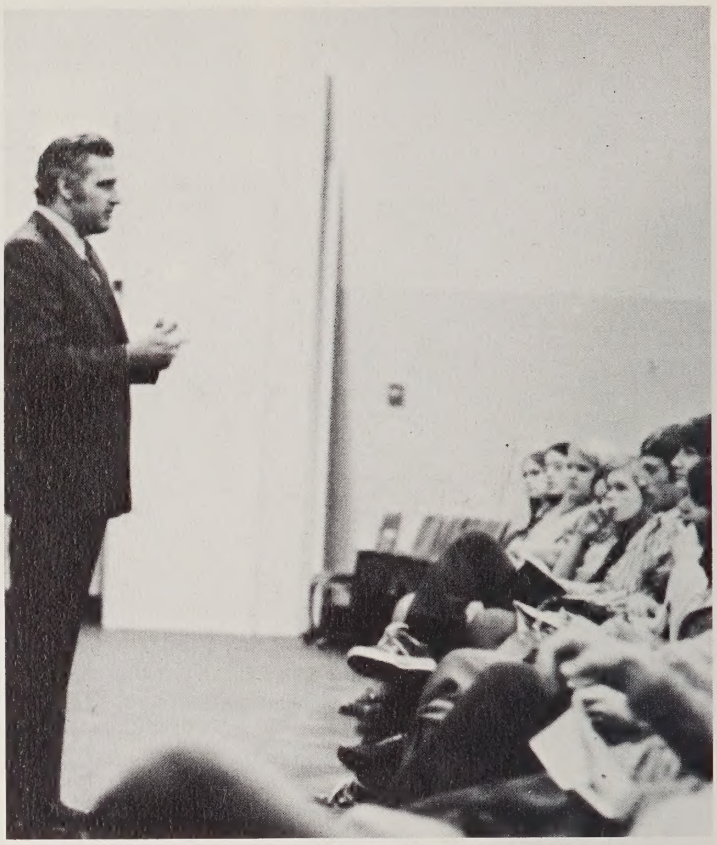
things that made you talk.



things that make you mad.

things that made you laugh.

things that made you want to try.



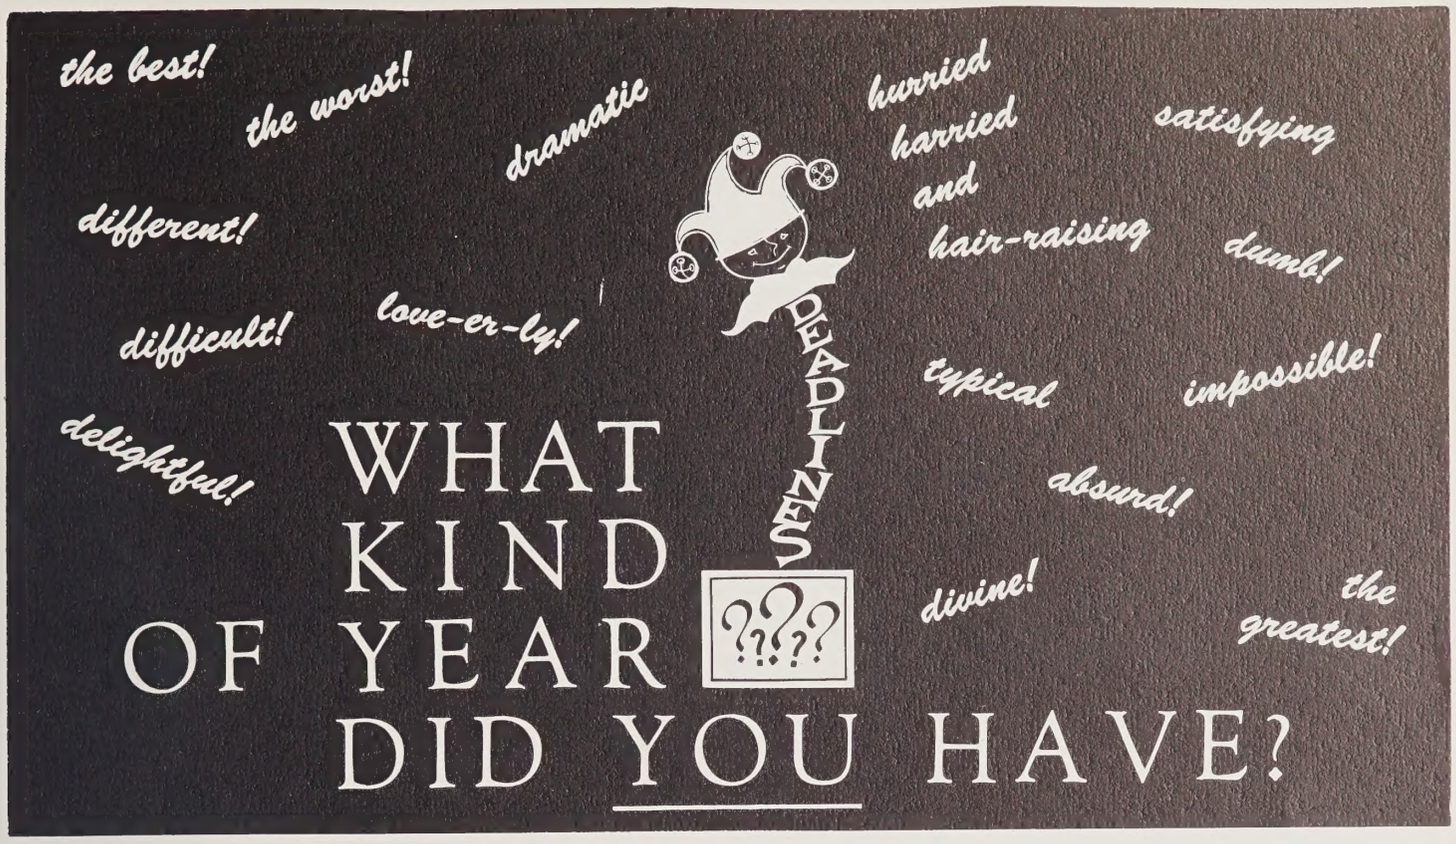
things that made you listen.

things that made you win.

things that made this annual yours.

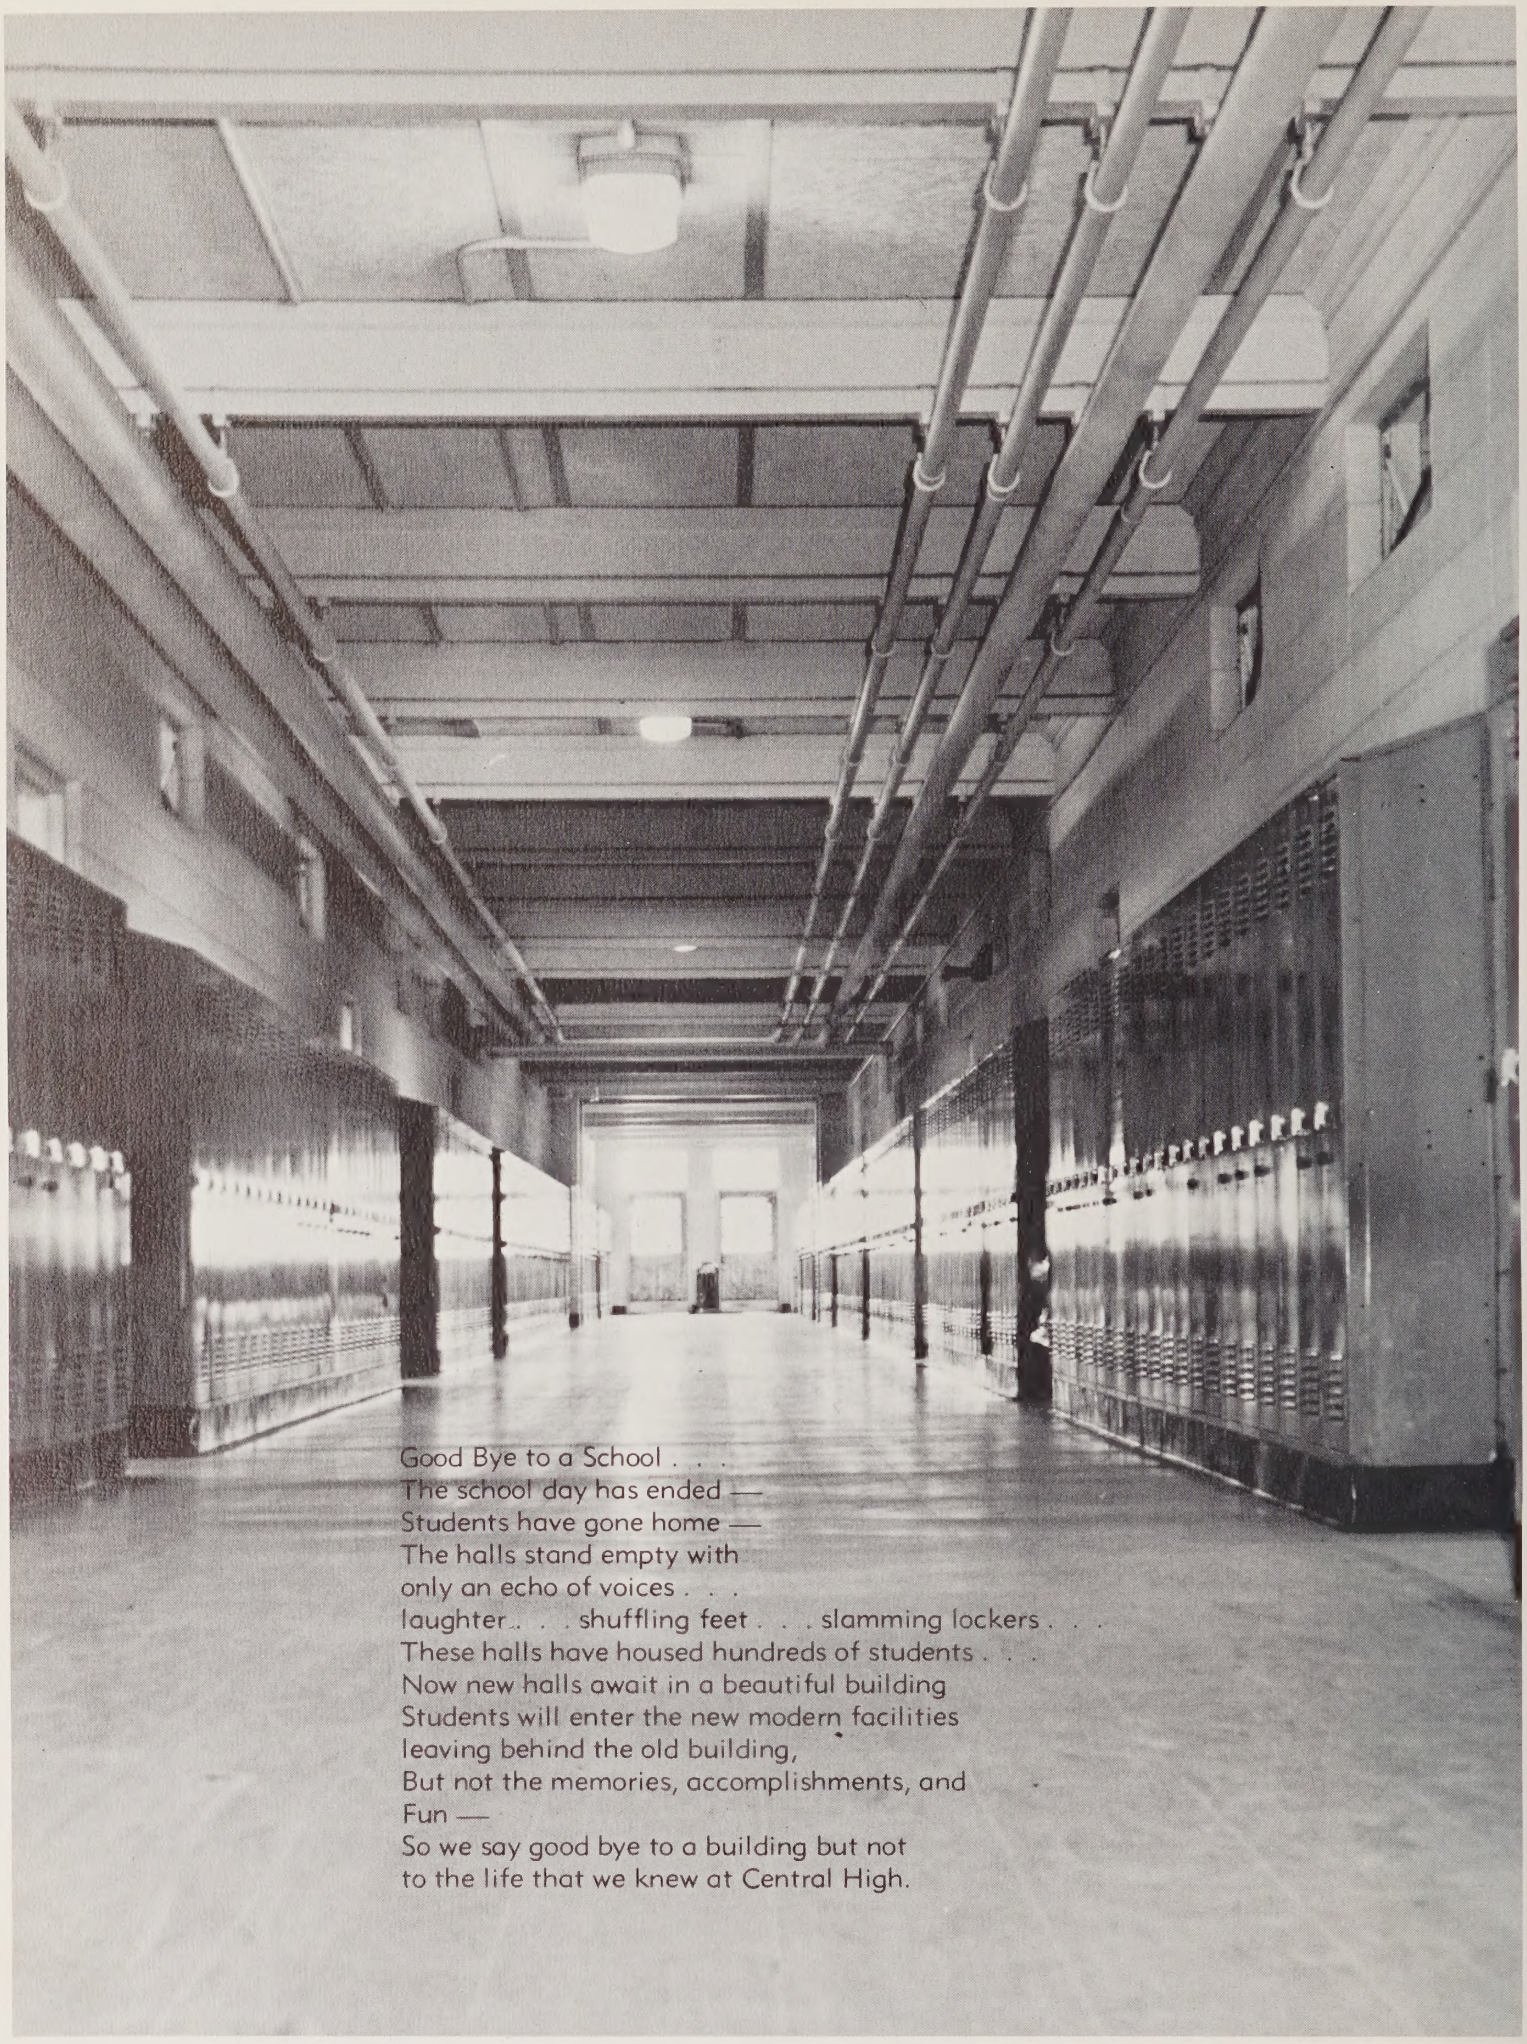
TO THESE PEOPLE
1972-73 WAS ALL THESE THINGS . . .

BUT . . . HOW ABOUT YOU . . .



Footprints in the snow . . . going nowhere . . . going anywhere . . . going somewhere.

Where will yours go?



Good Bye to a School . . .
The school day has ended —
Students have gone home —
The halls stand empty with
only an echo of voices . . .
laughter . . . shuffling feet . . . slamming lockers . . .
These halls have housed hundreds of students . . .
Now new halls await in a beautiful building
Students will enter the new modern facilities
leaving behind the old building,
But not the memories, accomplishments, and
Fun —
So we say good bye to a building but not
to the life that we knew at Central High.
